A MOTION reaffirming the King County Flood Control
Zone District's commitment to a countywide multibenefit
approach to flood risk reduction; creating three new grant
programs addressing the countywide flood issues of urban
streams, coastal erosion/coastal flooding and culvert
replacement/fish passage restoration.

WHEREAS, the King County Flood Control Zone District (District) is a
countywide special purpose district created in April 2007 to provide flood risk reduction
projects to the residents of King County; and

WHEREAS, the District reaffirms its continuing commitment to a multi-benefit
approach to flood risk reduction; and

WHEREAS, the District desires to continue investing in multi-benefit flood risk
reduction projects countywide; and

WHEREAS, the District currently funds countywide flood risk reduction and
habitat projects through three existing grant funds: the Sub-Regional Opportunity Fund,
the Cooperative Watershed Management Grants, and the Flood Risk Reduction Grants,
and

WHEREAS, the District desires to restructure the Cooperative Watershed
Management Grant and Flood Reduction Grant Programs, and
recommend criterion for the District's grant programs for consideration by the District as part of its 2021 Budget Process by August 1, 2020.
